

Independence Day is right around the corner and a favorite holiday of ours here at Mortgage Master Service Corporation.

It's a time we reflect on the freedoms and privileges we have as Americans, and on those who have sacrificed their lives for the safety and protection of our great nation.

We recognize that homeownership is, in many ways, a symbol of the American dream. Our homes reflect family, hospitality, hard work, and pride of ownership.

Our area is loaded with things to do this 4th of July. So grab your family and celebrate! Have a happy and safe Independence Day!
